Discussion was held regarding the Noise Ordinance.

Borough Engineer

Ms. Slagle reported on engineering activities for the month of May.

General Engineering – No updates.

Compliance Work – Gateway continues to work on permit documentation and updates for 2019 tasks. Gateway met with the Borough manager and public works to discuss tasks for 2019 and reporting requirements. Gateway updated the Borough's stormwater ordinance for compliance with the Allegheny County Act 167 ordinance.

Millvale Road Program – Waiting for the Sewer Authority to complete work on Scott Way. Once the Authority has completed the work, Gateway will coordinate with Youngblood to complete this street.

Spring Street Slide – Gateway received questions regarding the maintenance agreement and will provide a response to the applicant's engineer. Gateway is still waiting for the final agreement.

Mary Street Slide – Gateway prepared the report and submitted it to the Borough for review. Gateway is available to discuss the findings and costs associated with slide stabilization efforts.

CDBG Lincoln Avenue ADA Ramps – Gateway met with Borough DPW and Palmieri Construction to add 7 ramps along Lincoln Avenue due to additional funds available from NHCOC. The ramps were completed on May 28, 2019 and awaiting project closeout from NHCOC.

CDBG 533 North Avenue Demolition – Demolition is complete. We will continue to work with the contractor to process payment and contract close out.

Girty's Run Joint Sewer Authority

Discussion was held regarding the recent CIPP Project.

1. The Contractor finished the grouting, thus completing the underground portion of the project. Final restoration of the sidewalk is expected to be completed by the Contractor within the next week or two.

Discussion was held regarding the CDBG Year 43 Grant. – NHCOC – Manhole Installation

1. The final payment application is ongoing and will be addressed shortly.

Discussion was held regarding the CDBG Year 44 Grant projects.

1. Stanton Ave Replacement & Grove Street Replacement (Jet Jack) Jet Jack has begun work on the line for the Stanton Avenue Replacement Project. Jet Jack completed construction and restorations for the Grove Street Replacement Project, with the exception of some pavement restorations.
2. Stanton Ave Rehabilitation (Insight Pipe) – Insight Pipe has completed the televising and cleaning portion of the Stanton Ave Rehabilitation Project. Additional line lengths were provided to Insight Pipe as part of the project. Insight Pipe was to begin the lining work the week of April 8<sup>th</sup>.
