

# Homeowner & Business Owner Flood Education Workshop

May 9, 2022

Millvale Food + Energy Hub

112 E Sherman St, Millvale, PA 15209

7 to 9 p.m.

MILLVALE  
ECODISTRICT

**Do you have questions such as:**

**How do I protect my home or business from flooding in the first place?**

**What can I do to get back into my house after it has flooded?**

**What kinds of help is available if I can't do it on my own?**

Join **USACE, ACCD, PA DEP PEMA, FEMA, and Millvale Ecodistrict Collaborative** to learn how to prepare for, mitigate, and recover from flooding.

Also, gain awareness of the resources available to you as a homeowner or business owner, and other important information to empower yourself and the people you care about before and after a flood.

**To Register, scan here:**

In-person registration is limited to 30 seats; a virtual viewing option will be available for additional participants. Following the event, the video recording will be made available on the Pennsylvania Silver Jackets [website](#).
