

Free Tax Prep

NHCO.org/Free-Tax-Preparation

Melissa Mason is NHCO's resource coordinator and oversees the Free Tax Prep program.

If your family received less than \$57,000 in 2020, you may be eligible for NHCO's free tax preparation service.
Our Free Tax Prep services will be available between January 23, 2021 and April 14, 2021.

Virtual Option

There will be a full virtual option through an IRS approved website that can be easily and securely accessed from a smartphone or computer. This option allows you to complete the entire process from home with no face to face interaction. www.GetYourRefund.org/NHCO

Hybrid - Limited Contact Option

If virtual tax preparation is not for you, come to the tax site for two brief appointments at either our Millvale tax site or North Borough tax site to meet with certified tax volunteers. First appointment is to gather the information needed to complete your tax returns. Then return about a week later to review your completed return. Hybrid Appointments will be held Monday evenings at our North Boroughs office and Saturday Morning at our Millvale Office. **Appointments are required.**

There are 3 ways to schedule appointments at one of our tax sites:

- Go online at bit.ly/PA211TAXES
- Text your zip code to 898-211
- Call United Way Resource Navigator by dialing 2-1-1 or 888-856-2773

File your own taxes at www.MyFreeTaxes.com

Questions? Please call NHCO at 412-408-3830 ext. 3218 or email at Taxes@NHCO.org.
