EMERGENCY MEDICAL SERVICES (EMS) FEE

do not throw away

Dear neighbors,

We need YOUR HELP to sustain a valuable emergency response system. EMS systems across the United States are struggling and going out of business.

In partnership with the municipalities we serve, Ross/West View EMSA has worked to develop a sustainable funding solution to ensure the future operations of our organization and, most importantly, the fast and dedicated delivery of services to every person that calls 911.

The Municipal Funding Committee, which is comprised of members of Ross/West View EMS Administration and members of the Ross/West View Board of Directors, as well as municipal managers and elected officials from Ross Township, West View Borough, Millvale Borough, Reserve Township, and Ohio Township, has worked diligently for months.

As a result of their hard work, a municipal ordinance has been adopted by all five communities; this will allow Ross/West View EMS to implement and collect a nominal mandatory fee that will have a positive impact on the operations of our organization.

This fee will be paid directly to Ross/West View EMSA by all residents and businesses in the five communities that we provide service. In return for this fee, Ross/West View EMSA will waive any out-of-pocket expense for residents or business owners should they need to use emergency ambulance services.
