

Dear Borough of Millvale Resident:

WM is proud to be your environmental solutions provider. As part of our new contract with the Borough of Millvale, all residents will receive automated curbside collection. Our automated collection service will provide residents with a new cart for trash and you will continue to use your 35-gallon cart for recycling.

WM is excited to continue our partnership with the Borough of Millvale and looks forward to helping your community be as clean and green as possible.

General Information

Your collection day will remain the same. All items must be placed at the curb no later than 6:00 a.m. on the day of your collection. Despite our best efforts, we occasionally miss scheduled collections. If we do, please call us at (800) 451-3060 as soon as you can. Our representatives will work with you to ensure your materials get picked up. You can also visit www.wm.com for live chat and email options.

Trash Collection

- In early 2023, residents will receive a postcard to request a cart size. Unless otherwise selected, each household will be provided with a wheeled 64-gallon black cart with a green lid for trash. Using the postcard, residents will have the option to select a smaller cart size.
- Please continue using your current can(s) until you receive your new cart.
- Place your cart at the curb the night before your scheduled collection or by 6:00 a.m. the day of your pickup.
- All trash must fit inside your selected cart with the lid firmly closed.
- No additional trash will be picked up outside the cart.
- Bulk items will be collected once a month during the 3rd full week of the month. Please reference the calendar for your 2023 bulk collection dates.
- Make sure there are at least 3 feet between your carts and any obstacles – mailboxes, parked cars or trees.

Recycle Collection

- Recyclables will be collected weekly. All items must fit in your provided 35-gallon recycling cart.
- Please see the reverse side of this brochure for items that are accepted in your recycling program.

Bulk Items and Overflow Material

WM will only collect material that fits inside your trash and recycling cart. All trash must be bagged and fit inside the provided cart. Recyclables must be placed loose into your recycling cart and boxes must be broken down.

Residents may purchase up to two (2) additional 64-gallon trash carts for \$100 per cart.

WM will collect one bulk item once per month during the 3rd full week of the month at no additional charge. Place your bulk item at the curb on the same day as your trash collection during your bulk collection week. Residents are permitted one bulk item per month at no additional charge. Additional items can be arranged for pickup for a fee by calling WM.

See the calendar to the right for your 2023 bulk collection weeks.
